As the controller of this information, we're providing this Privacy Notice ('Notice') to explain our approach to personal information. This Notice forms part of our Website Terms of Use, which governs the use of this Website.

We intend only to process personal information fairly and transparently as required by data protection law including the General Data Protection Regulation (GDPR). In particular, before obtaining information from you (including through use of cookies) we intend to alert you to this Notice, let you know how we intend to process the information (including through use of cookies) and (unless processing is necessary for at least one of the 5 reasons outlined in clause 2 below) we'll only process the information if you consent to that processing. We'll start this Notice by setting out the conditions we must satisfy before processing your data. However, you may wish to start with the table at clause 4, which summarises what we intend to collect, or the table at clause 8.5, which summarises our use of cookies. The Notice also explains some of the security measures we take to protect your personal information, and tells you certain things we will or won't do. You should read this Notice in conjunction with the Website Terms of Use.
